Guía Programática de los Centros para Jóvenes y Familias (BCYF) 2014-2015

La guía programática de los Centros para Jóvenes y Familias (BCYF, por sus siglas en inglés) del 2014-2015 incluye docenas de programas para servir a los bostonianos de todas las edades en los vecindarios a través de la ciudad de Boston durante el verano y el resto del año. Estamos siempre añadiendo nuevos programas y eventos especiales. Esté seguro de mantenerse al tanto a través de nuestra página web y/o siganos en Facebook. Nuestra programación está basada en un sistema llamado ACES, un programa enfocado en las artes, comunidad y compromiso cívico, educación, deportes y estado físico. Estos programas para la juventud conducen hacia resultados positivos que los jóvenes necesitan para tener éxito en su desarrollo y prosperidad. Trabajamos arduamente para asegurar que cada uno de nuestros 35 centros puedan seguir ampliando la cantidad de nuevos programas en las piscinas, gimnasios, muros para escalar, centros para personas mayores y mucho más. *Los itinerarios de los programas pueden cambiar. Verifique los detalles de cada programa con el centro o contacto incluido en la lista de contactos.*

Guia do Programa BCYF 2014-2015

O Guia do Programa BCYF 2014-2015 contém dezenas de programas localizados nas vizinhanças e em toda a cidade para Bostonianos de todas as idades e destina-se a dar-vos uma ideia geral do que oferecemos durante os meses do ano, para além do verão. Estamos sempre adicionando novos programas e eventos especiais; por isso verifiquem regularmente o nosso *site* e siga-nos no *Facebook* para obter informações actualizadas. Toda a nossa programação é concebida dentro do nosso *ACES Programming Framework of Arts, Community & Civic & Community Engagement, Leadership, Education and Sports & Fitness* (Currículo de programação de artes, envolvimento comunitário e cívico, educação, desporto e saúde física); os nossos programas juvenis satisfazem pelo menos um dos seis resultados positivos de desenvolvimento que os jovens precisam para ter sucesso e prosperar. Trabalhamos duro para garantir que as nossas 35 instalações aumentem as oportunidades de programação com piscinas, ginásios, centros de informática atualizados, espaços para adolescentes, paredes rochosas, centros de exercícios físicos, centros para idosos e muito mais. *Verifique os detalhes do seu programa com o centro ou com o nome de contacto indicado. Devido aos prazos antecipados de impressão inicial, às vezes as coisas podem mudar!*

Dear Boston Resident,

I am pleased to present the 2014-15 BCYF Program Guide. We have designed this guide to make it easy for you and your family to find programs and activities to enjoy this fall, winter and spring.

BCYF offers an astounding variety of services for people of all ages. On an average day, 2,500 people are taking a computer class, swimming, learning a new language, receiving homework help, getting fit and much more.

There is a pullout page at the beginning of the guide that lists key BCYF center attributes at-a-glance. Further in you'll find each BCYF center's programs listed by neighborhood and, for additional details, you can go to BCYF's website and click "Community Centers & Pools."

I look forward to seeing you at your local BCYF community center soon!

Sincerely,

**Martin J. Walsh
Mayor of Boston**
